Letter No. 1167 dated 1st Dec. 1902 from the Inspector General of Prisons, recommending that Lady Apothecary Miss G. K. Tulsingh may be allowed to occupy a portion of the Lockup building at Hassan free of rent during her stay at that place.

Note

The Lady Apothecary claims exemption on the ground that ~~at Tumkur~~ she had free quarters while at Tumkur.

Submitted for orders: What was the case with regard to her predecessors?

Of the list received from the Senior Surgeon in July, 1902, the Lady Apothecary in charge of the Female Dispensary at Hassan is shewn as paying a rent of 3% for occupying a portion of the Govt building (the Lock-up at other places, viz

Chitaldrug, Kadur, Tumkur, Kolar and Kolar Gold Fields, Lady Apothecaries have been allowed to live in a portion of the Dispy: building without paying any rent whatever.

11/12/02

If Miss Tulsigh's predecessor at Hassan was paying rent for the occupation of a portion of the Lock up building, there seems no reason why she should not pay it too. The amount is trifling, Rs 3 p.m. of the pay. The building occupied by her at Tumkur was a medical Dept building; hence probably her exemption while there.

It she was exempted 25/12/02.
from paying rent
in Tumkur I think she may be
exempted in Hassan also,
though this tends to increase
anamolies.

Lady Apothecaries are not entitled to free Quarters where they are not allowed or cannot occupy a portion of the Dispensary building they must without interfering with Public Departmental requirements

make them some arrangements or pay regular rate for accommodation in Public buildings available. This question is to be decided for the present case is quite exceptional.

Note: Our lady physicians are not very much liked than our female Hospital Assistants & yet they are very treated with special consideration. I cannot understand the present claim. —
